

Join Us
April 19th for
a FREE
Security Seminar!

Cyber Security with Jeremy Burris

Seminar Topics:

- Wireless Security – How to secure your wireless router and how hackers will get around those securities
- How a man-in-the-middle sniffing attack works
- Recent Ransomware attacks and how to protect against them
- Juice-Jacking (fake charging stations that steal data while charging your phone)
- ATM/Gas skimmers
- Recent phone scams

Event Details:

Thursday, April 19th from 6:30pm - 8:00pm
Rustic Lodge, 2199 Oakland Ave., Indiana, PA 15701

———— Seating is limited! ————

RSVP before April 13th to ensure your seat.

How to RSVP - You can complete the information below and mail back (or drop off) to the bank or call your local branch.
