*\*4.59% APR (Annual Percentage Rate) is for a Home Equity Loan meeting credit qualifications and 85% loan-to-value. Property and flood insurance (if applicable) are required. Owner occupied residences only. Minimum loan amount of \$10,000.00 is required to receive the promotional rate offer. If refinancing existing MCB debt, \$10,000.00 in new money is required to receive the promotional rate. Rate is for a Home Equity Loan based on \$10,000.00 borrowed at an annual percentage rate of 4.59% resulting in 180 monthly principal and interest payments of \$76.96. Monthly payment does not include taxes or insurance; inclusion of these items will increase the payment. The bank will waive all fees, with the exception of the appraisal (if required) at the cost of between \$475-\$525. Other rates and terms are available and subject to approval by MCB. Certain terms and conditions may apply. Promotional rate reflects an automatic payment from a MCB account; cancellation of the automatic payment will result in a higher rate and higher APR.
